

Classroom Level Action Plan

ONHAND SCHOOLS | DATA INFORMED DECISION MAKING | CURRICULUM MAPPING RETREAT

District:

Date:

Teacher:

Class:

Instructions: Using the OnHand Schools EdInsight System, look at the data for each of your classes, and complete the following information. You may type directly in the boxes.

What are the strengths of the class?

What are the weaknesses of the class?

What is/are your improvement goal(s) for the class?

How will these goals be measured?

The Action Plan : Briefly describe your plan to accomplish the goal.

Supporting Data : Describe the data you used to build this plan. Be as specific as possible. Attach additional sheets as necessary in order to clearly describe your plan.

By signing below, I accept this Classroom Level Action Plan and agree to its use.
