

OnHand Schools is determined to provide your district with the most up-to-date assessments for your district. This will put the power of the data in the hands of the educators.

Current list of assessments fully supported by OnHand Schools:

---

## **PSSA**

1. There are two levels of support for PSSA... the basic level requires your district providing a login to the DRC (<https://www.drc-web.com/reportdelivery/>). OnHand Schools will download into your EdInsight Data Window information available from the DRC. We will need your district level login to do this.
2. The second level of PSSA support requires a login to Emetric (<https://solutions1.emetric.net/pssa/>). OnHand Schools will download this data as well. It breaks the PSSA down into a more granular standard level. We will need your district level login to do this.

---

## **4SIGHT**

OnHand Schools will download this data from the member center (<http://members.successforall.net>). We will need a district level administration login is required to show 4sight item analysis.

---

## **DIBELS**

OnHand Schools will download this data from the University of Oregon website (<https://dibels.uoregon.edu/data/index.php>). We will need a district level administration login to do this.

---

## **TERRA NOVA**

The original data file from the testing company is required to import this data into EdInsight. You can either send the data in an email to [assessments@onhandschools.com](mailto:assessments@onhandschools.com), copy and clearly mark the data on a CD and mail it to:

Attention: Assessment  
OnHand Schools  
1501 Reedsdale Street, Suite 501  
Pittsburgh PA 15233

Or, place it on the EdInsight server in your district and notify [assessments@onhandschools.com](mailto:assessments@onhandschools.com)

---

## IOWA

---

The original data file from the testing company is required to import this data into EdInsight. You can either send the data in an email to [assessments@onhandschools.com](mailto:assessments@onhandschools.com), copy and clearly mark the data on a CD and mail it to:

Attention: Assessment  
OnHand Schools  
1501 Reedsdale Street, Suite 501  
Pittsburgh PA 15233
